A MESSAGE FROM YOUR PRESIDENT

Here we are in March – as the expression states, it's the month that comes in like a Lion and goes out like a Lamb. Lest we forget that right in the middle of the month we have the "Ides of March" (If you're a Roman Emperor that's a time to beware). More importantly Easter, one of the holiest Christian holidays, falls on the last day of the Month. It is our hope that the blessings of this holiday fall upon everyone.

The rehabilitation of the auditorium is underway. The contractors appear to be on track with the schedule for repairs. The plan is to have inspections and approvals for all permits that were drawn for the rehabilitation of building C by mid-April. But as we all know, that is under perfect conditions. Our hope is we will be back in the building for May at the latest. As we move forward, we will keep everyone informed as we progress with the project.

March is also the month when a call for candidates is made for the Board of Trustees. This year there are three seats that will become available. Candidates can express their desire to participate beginning on April 1st and officially the process will close on April 19th. Candidates can either submit their own information or be nominated by a member in good standing (after obtaining the candidate's consent). All candidates must also be members in "good standing." The purpose of the timeline is to provide the candidates with the opportunity to have their bios published in the May & June editions of the Southwind. In July, those that are elected will be sworn into office and will, most likely, be required to comply, on or before January 1, 2025, with State and Federal regulations related to the Corporate Transparency Act that was signed into law and became effective in January of this year. Although this is currently a requirement, the Association's attorneys at Becker & Poliakoff and others are attempting to revise the law to exclude Community Associations from this law. However, at this time the Act does govern Board members. Unless there are revisions to the law, by January 1, 2025, each Board member will be required to provide (confidentially), at a minimum the following:

1. Their full legal name
2. Their date of birth
3. A complete current address
4. A non-expired government issued ID
5. A non-expired passport or
6. A non-expired driver's license.

The civil and criminal penalties for failing to comply are significant and if you are interested in being a candidate those penalties can be provided to you. We want to wish everyone who decides to participate in this process the best of luck since being on the Board can be a valuable and interesting experience.

New regulations also require that all HOAs have a reserve study performed a minimum of every 5 years. We are happy to advise the membership that we have been in line with the current requirement and have been using this practice for years. The Falcon Group is our provider for reserve studies. The data in our reserve study is reviewed monthly and each time we move forward with a maintenance project. It has proved an invaluable guide for the Board when assessing the requirements for maintenance projects. Holiday City South is compliant and will continue to comply with this new law. We are also pleased that the reserve requirement has been put in place. This will ensure that future boards continue utilizing this valuable tool.

I'll end this month's message with the following quote: ***"Your hardest times often lead to the greatest moments of your life. Keep going. Tough situations build strong people in the end."*** — Roy T. Bennett

We look forward to seeing everyone at the March 14, 2024, Homeowners Meeting.

Stay safe and healthy,

Mike Signorile

ELECTION NOTICE

March 1, 2024

Residents of Holiday City South,

We are approaching our election day for Trustees on June 26, 2024. We look forward to seeing all members (that are in good standing) participate in the election process.

The election will be held in Building A, Room #1 for those who wish to vote in person using voting machines. The vote count will be conducted in Building A, Room #1 by our Election Committee.

If you cannot vote in person and wish to vote, please contact the clubhouse office to sign for and obtain a mail in ballot(s) and the instructions. To ensure that your absentee ballot is counted, it should be returned on or before June 19, 2024. Please see this month's President's message for details regarding candidate(s) and election requirements.

Although there are only (3) three available seats, I will impress upon you that your vote is important. So, please vote for the candidates who will be your Trustees for the next three (3) years.

We hope to see you on Election Day.

Stay safe and healthy,

Mike Signorile

Board of Trustees President

TRUSTEE NOTE

Happy March – This is a great month. Spring is on its way and, as they would say, March comes in like a lion and goes out like a lamb.

Some dates to remember for this month are St. Patrick's Day on the 17th, First Day of Spring on the 19th, Palm Sunday on the 24th, Good Friday is on the 29th, and Easter is on the 31st. Wow, that's a lot!

An Irish Blessing to all: May music fill your heart, may good luck bring you cheer, may your blessings outnumber the shamrocks all year! For each petal on the shamrock, this brings a wish your way. Good health, good luck, and happiness for today and every day.

God Bless,

Richard J. Bohan, Sr.

Sprinkler system maintenance is the responsibility of individual homeowners. Sprinklers need to retract automatically and need to be installed below grade. Sprinkler damages to spray nozzles or heads hit because they are above grade and or not automatically retracting will not be repaired by the mowing contractor. Please, have irrigation system clocks set so all watering is completed by **8:30 AM daily**. If irrigation is running at time of cutting, that section of the lawn will be skipped until the next cutting cycle. If you have a issue with something that was **damaged** during the lawn cutting or some other issue, you must **call the office** and register a lawn complaint so the issue can be looked at and corrected.

Each Cycle is broken down into (8) day zones to complete the entire community. Zones below. It is an **estimated time frame**. If there are rainy days the time frame is extended.

CODE COMMITTEE NEWS

The Code Committee has been reorganized. If you are looking to renovate the outside area of your property you will need to see the Code Committee and get approval for your project. Such as widening the driveway, painting the house, putting on a deck or patio. Installing a fence, roof, siding or removing a tree. The Code Committee meets on **Mondays** and **Thursdays** at **10:00 AM – 11:00 AM**. If you need an evening or a Saturday appointment, it is by appointment only. Please call the clubhouse office Monday – Friday 9 AM – 2 PM to schedule an appointment. (732) 341-8900 Ext 15.

PLEASE DO NOT CALL OR MAKE A VISIT TO THE CODE COMMITTEE VOLUNTEERS HOMES. If you have an issue that needs to be addressed by the Code Committee, you can email them at Code@hcsnj.org or call them 732-341-8900 Ext 15.

IMPORTANT NOTICE

The Board of Trustees are in the process of putting together and updating our website. Homeowners will be able to get information pertaining to code questions and the most common exterior renovation updates for Homeowner’s properties. Should there be any updates to the association rules pertaining to code/architectural they will be published on the website.

IF YOU ARE AWARE OF ANY VACANT HOMES IN OUR COMMUNITY, PLEASE CALL THE OFFICE AT 732-341-8900 OR EMAIL THE OFFICE TO TERRY@HCSNJ.ORG or DORIS@HCSNJ.ORG

TREES IN THE COMMUNITY

Recently we have had several severe storms. Many of us have had tree limbs and or trees fall. The rule of thumb regarding these fallen trees and/or tree limbs is simple. If a tree or tree limb(s) that are in the common area fall in the common area, we leave the downed tree and/or tree limbs where they fall, unless they are creating a hazard. If a tree or tree limbs from the common area fall onto a member’s property, the association will remove them. If a tree and /or tree limb do damage to a homeowner’s home, they will have to file through their homeowner’s insurance for damages, but the association will have the tree and/or tree limbs removed. Also, if the downed tree and/or tree limbs from a tree are from one that stood on the homeowner’s property or the township right of way, the homeowner has responsibility for any damage they may cause. This should clarify the association policy for downed trees and/or tree limbs. If a homeowner has a tree on their property and would like to have it removed and are not sure if that tree is on their property for sure, please call the Code Committee and have them come check on it before removing anything. Berkeley Township requires that you have a permit to remove trees.

OPEN ART STUDIO WEDNESDAYS 10AM - 1PM

By Kathleen Rice

Just a quick reminder to continue to donate your "soft plastics" to the Trex Bench Project. Thank you in advance for assisting our community to receive another bench and to keep all that plastic out of the landfill.

I'd like to quote Kurt Vonnegut, a most prolific and witty author, who said "The function of the artist is to make people like life better than before".

Also, "Practicing an art, no matter how well or badly, is a way to make your soul grow.

For heaven's sake.

Sing in the shower.

Dance to the radio.

Tell stories.

Write a poem to a friend, even a lousy poem.

Do it as well as you possibly can.

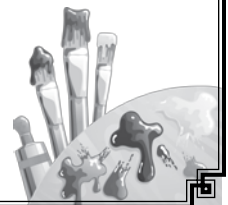

You will get an enormous reward.

You will have created something."

So please, come and reward yourself, any Wednesday in the Open Art Studio, Building B, anytime between the hours of 10 am and 1 pm. If only to create new connections/ friendships.

Looking forward to seeing you soon.

MARCH 2024

March birthstone symbol is – Aquamarine, this is the traditional birthstone for those born in March, a symbol of youth, health and hope. March has a second birthstone, the Bloodstone, this ancient stone was believed to have healing powers — especially for blood disorders. March is considered the beginning of Spring.

The birth flower for March is the **Daffodil**, it is synonymous with Spring as it is the epitome of rebirth and new beginnings. When we see the Daffodil, we know the nice weather is just around the corner.

Spring, Rebirth, Domestic Happiness, Respect, Regard and Friendship.

March 10th, Daylight savings time when we Spring forward and put the clock ahead one hour, giving us a longer day of sunlight.

March 11th Ramadan Begins

March 17th, St. Patrick’s Day, the celebration is a cultural and religious celebration occurring annually on this day, recognizing the patron **Saint** of Ireland, **Saint Patrick**.

March 19th St Joseph’s Day, the Feast of **St. Joseph**, husband of the Blessed Virgin Mary.

On March 19h, the first day of Spring in 2024 It is also called the spring equinox.

March 24th Purim Jewish Holiday is all about unity, family and togetherness,

March 24th Palm Sunday Jesus' entry into Jerusalem, greeted by people waving palm branches.

March 31st Easter Sunday celebrates Jesus's victory of sin and death and salvation for mankind.

Daffodils

I wandered lonely as a cloud
That floats on high o’er vales and hills,
When all at once I saw a crowd,
A host, of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.”
by William Wordsworth

LAUGHIN' TIMES

By Dom Alagia

There's too much violence on TV these days. The other day I saw two murders, six fights, an earthquake, and a nuclear disaster. That's the last time I'll watch the Saturday morning cartoons.

It's a great restaurant. Their catch of the day is fish sticks!

Mountain climbers say they climb mountains "because they're there." Somebody ought to let them know that that's the same reason most of us go around them.

It's been really cold. Yesterday I looked at my closet, and my coat was wearing a sweater.

My nephew made a deal with his parents. He asked them to give him the money it would cost to send him to college. They did, and he retired.

They have two children. The first is a college graduate, and the other one isn't working either.

Little Billy, caught in mischief for the tenth time one day, was asked by his mother. "How do you expect to get into heaven?" The lad thought a minute and replied: "Well, I'll just run in and out and keep slamming the door until Peter says: "For heaven's sake, Billy, come in or stay out."

For most people when you lose your khakis you have lost your pants, when you come from Boston you have lost your car keys.

People who ask me what I am doing tomorrow probably assume that I even know what day of the week it is.

I think the proper term for senior women should be Queen-Agers.

I just ordered a life alert bracelet so if I ever get a life, I'll be notified immediately.

Brain cells, hair cells, and skin cells, they all die

constantly but fat cells seem to have eternal life.

John: How long can a man live without brains?
Russ: I don't know. How old are you?

Don: She's a bright girl...she has brains enough for two.

Art: Then she's just the girl for you.

Sunday school teacher: Does anyone here know what we mean by sins of omission?

Student: Aren't those sins we should have committed but didn't?

Real Loser: He was a real loser. When his ship came in, he was waiting at the train station.

HOLLY TWIG

By Susan Schmied

Our hospital is certainly a bustling place compared to the way it was on September 15, 1961, when it opened with fifty beds and fifteen physicians on staff, and it was called Community Medical Center. It is now RWJ Barnabas Health, with its sister hospital seventeen minutes away by helicopter from the rooftop helipad. At that time, it was a vision to have a community hospital. Construction is going on right at this time to allow the patients to have all the advantages available to diagnose and treat each person with the most up to date equipment. Our dedicated volunteers continue to raise funds to be a part of the improvements and ongoing transformation of this important part of our community.

Your donations and support are what makes us as successful as we are. We thank you for your continued support. If you would like to remember a birthday, graduation, anniversary, any special occasion or a loved one, please consider making your donation to Holly Twig. We will send a special note to the person or family you are remembering or honoring, as well as a letter to you for your records. Donations are an easy way to support this very worthwhile group.

Our Holly Twig members, who knit and crochet, are busy all year long making hats for the newborn babies to wear home as well as making chemo caps for patients in the Oncology Department. All of our hats are made by Holly Twig members, and we use approved patterns. We welcome your donations of yarn to keep our projects going.

Our meetings are scheduled for the second Wednesday of the month. Our next meeting is scheduled for Wednesday, March 13th. We have coffee and refreshments at 9:30AM and the meeting begins at 10:00AM at HC Berkeley Clubhouse 2. New members and guests are always welcome. Sometimes, we have time for an informative program. In February we had a hypnotherapist. That was fun!

Vendor sales are open to the public to come and shop. Valet parking is FREE at the main hospital entrance.

This is what is coming for 2024:

- Friday, March 15th – Savy Fit Soaps – All natural soaps made in Forked River
- Thursday & Friday, March 28th & 29th – D&D Jewelry (Think Mothers' Day)
